- Packed complete in individual cartons, with trains and track securely attached to prevent pilferage. Just remove display from carton and place on counter or in window. Nothing to put together, nothing to set up. It's shipped all ready to go, as illustration shows.
- Display actually costs you nothing. Just before Christmas you remove trains, track, transformer and Trestle Set (boxed and packed in rear of display) and sell it to customer at a profit. Then discard display.
- Ideal for counter, window or shelf. A real traffic creator. Can be seen from great distance away.
- Saves time, trouble, fuss. No assembly whatever.
- Bright and colorful. Puts over American Flyer "Pull-Mor" grade climbing and other features.
- Measures 24" high, 27" long and 13" wide; ideal size for any counter. Low enough to permit clerk to see over top.
